

NLP Master Practitioner Training *Weekly Assignment – Week 4*

Welcome back to Week 4! Congratulations on coming to the completion of your NLP Master Practitioner Certification training! Just as in you did in the Practitioner Training, you have learned and absorbed a lot of information, processes and techniques in a short amount of time. You have taken yourself to another level of understanding and proficiency in the body of NLP work. You've enhanced your ability to make fast and permanent change for yourself and in the lives of others.

You've done all of this so that you can live your life more fully, and get better results in virtually everything you do. You've also done it so that you can feel great about your ability to help your clients and others around you to be more happy and successful.

This is your final week of content and a time to complete and submit all of the required work for your Master Practitioner Certification.

Your work to complete prior to certification is as follows:

1. Watch and take notes on the video content posted in the Week 4 section.
2. Complete any remaining supplemental reading for the course if applicable.
3. NLP Skills Practice:
Make sure that you have completed all the assigned practice processes and interventions. (See Master Practitioner Certification checklist attached.)
 - A. Take yourself through the following processes led by Adam in the Week 4 videos, and submit an **Intervention Process Report (IRP)** for each.
 - 1) Pre-Coaching Puma
 - 2) Adding Positive Resources
 - B. Complete and submit your **IRP** documentation of successful practice with each of the processes / interventions assigned in Weeks 1 and 2.
 - C. Complete the Rapid Life Change Breakthrough Session and submit documentation as assigned in Week 3.
4. Complete filling out your Master Practitioner Certification Exam and submit it for scoring.
